### What Is Easter?

Easter is a significant Christian festival which remembers Jesus being put onto a cross. Each year, this is remembered on a day known as Good Friday.

Christians also believe Jesus returned to life a few days later on a Sunday. This is remembered on a day known as Easter Sunday.

### Easter Traditions

It is thought that Easter eggs symbolise new life just like Jesus' return to life.

Many people give and receive chocolate eggs at Easter as well as painting hard boiled eggs and having egg rolling competitions.

The first UK Easter egg was produced in 1873.

Christians attend church on Easter Sunday to celebrate Jesus returning to life. Christians believe Jesus was put on the cross so that others could be forgiven for the things they have done wrong.

Hot cross buns are popular at Easter time. Usually, they are eaten at the end of Lent.

The cross decoration on the top on the bun reminds Christians of the cross that Jesus was put on on Good Friday.

Some Christian people also make an Easter garden at this time of year.

The garden can then be used to help to retell the Easter story.

An Easter garden is often created in a tray filled with soil, moss and gravel.

Then, flowers, sticks and stones are added. Sometimes, a plant pot is used to act as Jesus' tomb.

Sticks can also be tied together into the shape of a cross to remind people of the cross that Jesus was put on.

Some families and friends will also eat a special dinner together on Easter Sunday. The dinner is sometimes a roast dinner with roast lamb, potatoes and vegetables.
